Vision Statement

The Department of Education states that the intent of the IEP Vision Statement is:

1. to reflect the thinking of the entire IEP Team (including the parent and the student),
2. to look forward to future goals of the student,
3. to represent high expectations and dreams for the student, and
4. to be reflective of federal requirements for transition aged youth. The character of the IEP Vision Statement will change based on the age of the student.
